

3 MONTH PACKAGE

In this brochure you'll find information about what to expect and some of the most important terms.

What do I get?

When you sign up for this package you will receive 7 1:1 lessons of 45 minutes each. The coach will invest in you both in person as outside of the lessons by preparing the lessons thoroughly. Your goals are on the top of our priority. If you don't know what to work on, we got you!

When will the lessons take place?

The lessons ideally find place every other week depending on your schedule and preferences.

Voice lessons will be given on wednesdays & thursdays.

Where do the voice lessons take place?

You have the option to do it in person in our voicestudio in Thicket, Texas or you can request an online lesson through ZOOM. Both of these can be combined. Note that a request for a ZOOM appointment has to be done at least 24h in advance, so the coach can prepare accordingly.

How do I book this package?

You can book the package through our website.

During this process you will pay for the first month and the system will then set you up for automatic payments. (This will automatically stop when the 3 months have passed)

Then the website will immediately give you the opportunity to book the 7 lessons within a timeframe of 3 months.

What if I can't make the appointment?

No problem. You can login into your account and cancel and or re-schedule the lesson.

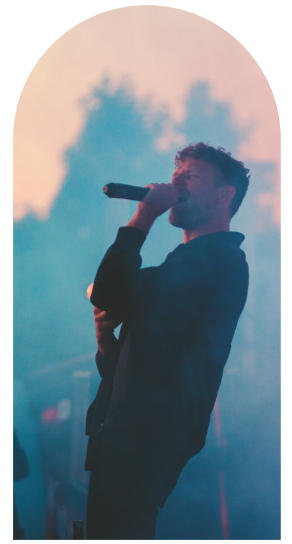

Note that we have a cancellation policy of 24hours. To be eligible for rescheduling a lesson you'll have to cancel the lesson on your online account 24 hours or more in advance of the lesson. Cancellations within 24 hours will be permanently cancelled. There will be no refunds.

When re-scheduling a lesson, keep in mind to do so within 3 months after the first voice lesson. After that time-frame the voice lesson expires.

Can I stop the voicelessons before 3 months passed?

You can stop whenever you want, however there will be no refunds.

When purchasing the 3- month package you agree to pay the full amount of \$297 in three parts. This can't be reversed and any open payments will still have to be payed out for the remaining months

CONTEMPORARY VOICE LESSONS

What singing styles do you teach?

We teach contemporary voice. This means anything from pop, to blues to rock. We don't teach classical singing or opera.

What age group do you teach?

We are focused on teaching 14 years and older. The reasoning is because we are equipped and have all the tools for that agegroup. Younger than 14 years requires a different approach of teaching.

What happens when it's Summerbreak or Christmasbreak?

We find rest and family quality time incredibly important, therefore you have full permission to take a summerbreak or Christmasbreak without losing any lessons.

You can bring this up with your coach.

Will there be a showcase?

You have full permission to join our showcase called "Spotlight Sessions". Keep in mind that they may take place outside of your 3 month timeframe.

We are also working hard behind the scenes to make many performance opportunities possible for our vocalists & singer- songwriters.
